On another matter of interest to you and Jim: The HUAC hearings on the KKK (8th Congress) have some discussion of a $25,000 contract on King. (This was before he was shot.) (Reference. p. 3404) This is somewhat similar to what Jerry Ray told you (Frame#, p. 310). The HUAC source, apparently talked to the Brown who is on the Milteer tape. I am told that several of the names on the withheld pages on the Milteer story in CD 1347 are discussed in the HUAC hearings.

Sincerely,

Paul
